About This Content

This 91 page Almanac contains:

- A detailed strategy guide by top-tier players Zultar and Cubit.
- Coverage from planetary geologist Kirby Runyon, who discusses each of the regions the game takes place in and how their real life features were used to influence the game's map design.
- Designer Notes from Offworld Trading Company's lead designer, Soren Johnson, who discusses the inspiration for the game and how each of the game's features help deliver on that goal to create a unique experience for the player.
